

Dipesh Thapa Magar

UI/UX Developer / WordPress

📞 9818204504 ✉ iamdipeshmgr@gmail.com 🌐 dipeshmagar.com ☕ [behance](#) 📍 Sitapaila, Kathamandu

Professional Summary

UI/UX Developer with 4 years of experience creating intuitive, user-focused solutions for web and mobile platforms. Skilled in wireframing, prototyping, and front-end implementation, with 3 years of hands-on WordPress expertise in theme customization, responsive design, and plugin integration. Proficient in design thinking, user research, and usability testing, I deliver scalable, accessible, and brand-aligned digital experiences that drive business growth.

Work Experience

UI/UX Developer (Full-Time)

Shrig Solutions Pvt. Ltd. – Bishalnagar, Kathmandu

Mar 2022 - Nov 2025

- Solely led and created UI designs for multiple cross-platform projects including Fishtechy, Aquabuildr, and Friendslikeus.
- Contributed to and maintained the internal design system to ensure consistency across multiple projects.
- Designed and delivered user-centric web and mobile applications in collaboration with developers, product managers and Client.
- Created wireframes, prototypes, and design specifications in Figma, ensuring smooth design-to-development handoff.
- Conducted design reviews, usability testing, and improvements to align solutions with business goals and user needs.
- Collaborated with cross-functional teams like QA to ensure seamless integration of design and development.
- Created motion graphics animated branding videos using After Effects for multiple brands.
- Built and customized websites using WordPress with responsive layouts and plugin integration.
- Implemented SEO best practices to improve website visibility and search rankings.
- Designed marketing and branding assets, including graphics for campaigns and social media posts.
